The "Stench case" at Wheeling is drawing to a close.

It looks like your Uncle Sam is going to soak the Bathing Trust.

A BEAR that wears glasses has been introduced into the Bronx Zoo. Move that he be called Teddy.—Philadelphia Telegraph.

AFTER several years of waiting, the companion word to "suffragette" has appeared. It is "husbandette."—Rocky Mountain News.

"UNCLE JOE" CANNON thinks there are Congressmen enough, and some of us think there are entirely too many.—Baltimore Sun.

The statement of a fair plaintiff in a divorce it that marriage is a failure does not convince the entire audience. It only calls attention to the fact that the individual is often a failure, although the institution is a success.

At San Francisco, the fool friends of Admiral BARRY wanted to send the old boy a loaded revolver, with the silent hint accompanying it to kindly blow his brains out. Why not send a whole load of guns to the proposed "Admiral" PEARLY and ask the North Pole fakes to get busy and blow himself into kingdom come? PEARLY is such a notorious blower that he ought to easily do anything in the blowing line.

Fortune Telling

Does not take into consideration the one essential to woman's happiness—womanly health.
The woman who neglects her health is neglecting the very foundation of all good fortune. For without health love loses its lustre and gold is but dross.
Womanly health when lost or impaired may generally be regained by the use of Dr. Pierce's Favorite Prescription.

This Prescription has, for over 40 years, been curing delicate, weak, pain-racked women, by the hundreds of thousands and this too in the privacy of their homes without their having to submit to indelicate questionings and offensive repugnant examinations.

Sick women are invited to consult Dr. Pierce by letter free. All correspondence held as sacredly confidential. Address: World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.
DR. PIERCE'S GREAT FAMILY DOCTOR BOOK, The People's Common Sense Medical Adviser, newly revised, up-to-date, edition—1000 pages, answers in Plain English the best of delicate questions which every woman, single or married, ought to know about. Sent free in plain wrapper to any address on receipt of 21 one-cent stamps to cover mailing only, or in cloth binding for 31 stamps.

SOLILOQUY of the blind Rank and File:
"The hand is that of OILY JERMS, but the voice is that of PERCY."—Cynthiaana Democrat.

It is now patent that the last census taken by Uncle Sam is a fraud and a delusion. The population of the big cities, in many instances, is as rottenly reported as one can imagine, and for boldness and magnitude is only equaled by the Adams county vote frauds. The thirteenth National census cost \$14,000,000, and, aside from affording guesses, amusement, etc., every ten years and pay for 30,000 persons, the whole thing is not worth 10 cents to the general public. Fourteen million dollars just thrown away. What a lot of good roads that amount of money would construct.

A CANVASS made recently by The New York Herald indicates that 286 members of the next National House of Representatives—90 more than a majority—will favor a reduction in the Tariff. Of the 228 Democrats, 177 are for Tariff for revenue only and 30 are for a reduction in the Aldrich-Payne schedules, but with the Protection principle preserved. Of the 162 Republicans, 61 don't want to tinker with the Tariff at all. Seventy-nine declare that they believe the present law should be revised, but that the Protective idea should be kept well in mind.

HER SAIL FINISH.
"Did you ever know a girl to die for love?"
"Yes."
"Did she just fade away and die because some man deserted her?"
"No. She just took in washing and worked herself to death because the man she loved married her."

FARMER'S WIFE HAD HEAP TO DO

Mrs. Shepherd Was in Bad Shape
When She Could Not Stand on Her Feet.

Durham, N. C.—"I am a farmer's wife," writes Mrs. J. M. Shepherd, of this city, "and have a heap to do."
"Four months ago I could not stand on my feet, to do anything much, but at this time I do the most of my work. I took Cardui and it did me more good than all the doctors."

"You don't know half how I thank you for the Cardui Home Treatment. I wish that all women who suffer from womanly trouble would treat themselves as I have." Ladies can easily treat themselves at home, with Cardui, the woman's tonic. It is easy to take, and so gentle in its action, that it cannot do anything but good.
Being composed exclusively of vegetable ingredients, Cardui cannot lay up trouble in your system, as mineral drugs often do. Its ingredients having no harsh, medicinal effects, and being non-poisonous and perfectly harmless, Cardui is absolutely safe for young and old.

Ask your druggist. He will tell you to try Cardui.

"That was the note Oliver Nickelson, a farmer near Ripley, found when he returned to his dark and desolate home Friday night."

MAYSVILLE LOOSE LEAF TOBACCO MARKET

FREE TO YOU—MY SISTER

I am a woman.
I know woman's sufferings.
I have found the cure.
I will mail, free of any charge, my home treatment with full instructions to any sufferer from woman's ailments. I want to tell all women about this cure—yes, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. Men cannot understand women's sufferings. What we women know from experience, we know better than any doctor. I know that my home treatment is a safe and sure cure for Leucorrhoea or White discharge, Uterine or Ovarian Tumors or Growths, Falling of the Womb, Profuse, Scanty or Painful Periods, Uterine or Ovarian Pain, or Growths, also pains in the head, back and bowels, bearing down feelings, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weariness, kidney and bladder troubles, where caused by weaknesses peculiar to our sex.

I want to send you a complete ten days' treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the member, that it will cost you only about 12 cents a week, or less than two cents a day. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer, and I will send you the treatment for your case, entirely free, in plain wrapper, by return mail. I will also send you free of cost, my book—"WOMAN'S OWN MEDICAL ADVISER" with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. Every woman should have it, and learn to think for herself. Then when the doctor says—"You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures old or young. To Mothers of Daughters, I will explain a simple home treatment which speedily and effectually cures Leucorrhoea, Green Discharge and Painful or Irregular Menstruation. I send Ladies, Plumbers and health always results from its use.

Wherever you live, I can refer you to our local lady who knows and will gladly tell any sufferer that this Home Treatment really cures all women's diseases, and makes women well, strong, plump and robust. Just send me your address, and the free ten days' treatment is, of course, yours. Write today, as you may not see this offer again. Address

BOOSTERS

Maysville Business Men Get Busy
and Organize Industrial Union
to Boom Maysville

Maysville made a good beginning last night when the plans were laid for the permanent organization of a "Business Men's Club."

The meeting resulted in the election of Mr. W. Holton Key, Chairman, and Mr. W. W. Ball, Jr., Secretary.

The meeting had not been advertised and the gathering for a starter, was an impromptu affair, with the following present:

David Heebinger, Lewis Merz,
S. P. Browning, R. B. Owens,
Mayor J. W. Lee, M. F. Conghlin,
W. W. Ball, Jr., W. Holton Key.

The Club will meet again next Wednesday night at W. Holton Key's office. Every member present was appointed a separate committee to solicit the business men of Maysville to join the new organization, which has for its object the betterment, the building up and the commercial development of Maysville.

The membership should reach 150 at least in the next ten days, when another meeting will be held and the permanent organization effected, and the definite scope of the work mapped out and agreed upon.

A progressive Business Men's Club has built up many cities and the same thing can be done for Maysville.

CARLISLE, Ky., January 20th—Mrs. Lucy Gray and her daughter, Miss Laura Gray, were arrested and brought to Carlisle yesterday on a charge of murder, the warrant charging them with murdering the infant child of the daughter. Laura Gray has been confined in the County Jail to await the action of the Grand Jury, which convenes Monday, February 6th.

ENDEAVOR MEETING

Union League Held Another Good
Meeting Last Evening

One of the most deeply spiritual meetings since the organization of the Union League of Christian Endeavor was the "Model Endeavor meeting" held last evening at the Christian Church.

The principal proof of its being a model meeting is that it showed careful and prayerful preparation.

The leader was Mr. William Baldwin, President of the Union; the topic under discussion, "Laborers in the Vineyard."

The scripture lesson, Matt. 20, 1-16, was read by Mr. Henry Helmer. This was followed by a few brief remarks by the leader and prayer by Rev. Benn.

Miss Neal read a carefully prepared and interesting paper on "The Willing Worker."

The following gave three-minute addresses, all of which proved of interest and profit:

Mr. J. H. Richardson—"Several Kinds of Work"

Mr. George Frank—"The Need of Laborers."

Mr. James Roden—"How Should We Work?"

Rev. E. R. Overley—"Fellow Laborers."

Mr. R. A. Cochran—"Profit in Work."

The addresses were interspersed with good songs and a number read Scripture verses.

The venerable Mrs. Sallie Ann Perkins of Tollesboro, mother of Hon. Vincent Perkins of Chicago, who fell recently and injured her hip, remains in a critical condition. Mrs. Perkins is 90 years of age, and seventy-one years ago today occurred her marriage to her late husband, William Perkins.

Free Telephone Service

Maysville business men and the public generally can now use the telephones to Tollesboro, Germantown, Dover and other towns within a fourteen-mile radius free. The County Mutual Exchange is at Washington, but free service is given over the county.

This Year's Burley Will Be Pooled

M. H. Froman, President of the Kentucky Branch of the Society of Equity, stated at Frankfort that the Society of Equity would undertake to pool the crop of white burley tobacco of 1911 if the Burley Tobacco Society failed to make the pool.

"REST ROOM"

Set Aside at High School For Lady Teachers—Handsome Furnishings

When our High School was planned by the Board of Education they very wisely supplied a "rest room" on the first floor, to be used by the lady teachers and pupils in case of accident or sickness. This room has been unfurnished until the present time, but, thanks to the Lecture Committee, of which Mr. Robert A. Cochran is Chairman, it has been completely furnished. The walls have been tinted, the floor has been waxed and a beautiful rug placed upon it. The furniture consists of weathered oak "Mission"—a settee, two large rockers, two small rockers, two chairs, all covered with genuine leather and a handsome library table. This has been done with the proceeds from the lecture course of the present year.

Through the generosity of Mr. S. P. Browning, President of the Board of Education, the room has received a magazine rack and is to receive a hat and cloak rack. Nearly every modern school building is equipped with a "rest room," but I will venture to say that you will go a long way before you will find one more handsomely furnished than this one.

Through the kindness of Mr. Winifred Ball the schools have just received a magnificent framed picture of his "alma mater," the University of Virginia, which will grace the lower hall.

Superintendent of Schools.

They met for the first time since their summer vacation.

"And how is your sister Sue?" asked the innocent maid.

"Sue is well," responded the cheeky young man, "and—er—by the way, Sue sent you a kiss, so I will deliver it."

"Sir, how dare you! You have forgotten yourself."

And then and there he claimed another.

"So good of you to remind me. Although I think a great deal of Sue I must never forget myself."

Miss Rena Lurley is quite ill at her home in East Second street, Sixth Ward.

It was so dark this morning at 7:15 o'clock that it looked like something was going to drop, but it didn't.

The HIGH COST of LIVING

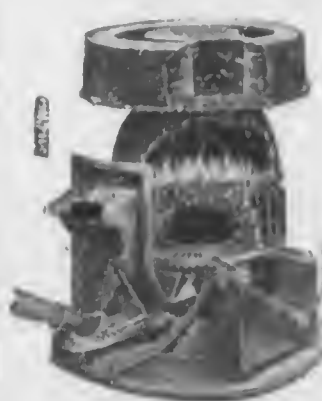

Has been greatly reduced in thousands of homes intall parts of Uncle Sam's broad domain this winter through the use of

THE PECK-WILLIAMSON UNDERFEED
FURNACES AND BOILERS

The reason is plain. Cheapest slack in the Underfeed gives as much clean, even heat as the most expensive grades which ordinary heating plants require. All the fire is on top and has to eat down into the fresh coal underneath against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed Furnace and Boiler users to effect an every year saving of 50% to 60%. Why give this good coin to the coal man? Put it in the Underfeed and let

It Pay for itself.

The readers of this paper will be pleased to learn that there is at least one remedy for that terrible disease, Catarrh, which has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials.
